

Pure Adventure

The Journey of a Lifetime

"The pathway to intimacy is paved with purity."
Pastor Andy Stanley

Purity. It matters.

It's hard to maintain.
Society pressures us to ignore it.
Often, Christians don't want to talk about it.
But it matters.
It's challenging for teens through young adults.
It's not just about "staying pure until marriage."
And it's not just about sexuality.

But: Purity. Still. Matters.

Purity isn't about a "to do" or a "to don't" list.
It's about more than that.

Purity is a matter of the heart.

"Blessed are the pure in heart, for they will see God."
Matthew 5:8

Pure Adventure programs provide opportunities for safe, honest, and age-appropriate conversations about what purity is, why it's important, and how to pursue purity in the **"journey of a lifetime."**

We use the Bible as the basis for understanding purity and help participants from middle school through college / young adults discover how to apply God's Word to this critical area of our lives.

Pure Adventure program options:

- **Quest** (middle school)
- **Expedition** (high school)
- **Safari** (college / young adults)

Pure Adventure works best during weekend retreats, but can also be adapted for a local church, summer camps, or at a Christian school or college. The format is highly engaging with activities, discussions, teaching, personal reflection, and a commitment time.
